## REFEREE SECTION

**Referee** FREDDIE LAW-KEEN **Appointed by League** Yes

**Marks out of 100** 50

**Remarks** After swapping teams around at start, he did not swap the linesmen around.

I noticed this 2mins into the match and asked that he swap them around, so to prevent any problems. He said it did not matter and refused to do this.. As a result off sides were not being given which gave advantage to both teams and arguments broke out within the opposing parents which stopped the match.

I had to break up the argument and told the ref this only happened because he did not swap over the parents who were running the line.  
After taking my advice no more arguments broke out.

2 Yellow cards given for ridiculous reasons...

Yellow Card was given to one the opposing team player for walking onto the pitch during a substitution just before their other player was off the pitch.

The Game was paused for the substitution.

Player coming off was running and approx two meters away form the line before the other player was on..

No advantage was gained or trying to be gained.

London Athletics Manager and myself looked at each other in amazement at the decision.

Second.

One of my players went in for a tackle.

The challenge was not dangerous, player got the ball, both players were not injured both managers again made representation of his decision.

He explained it was not aggressive, it was was

His reason was the player got the yellow card could of injured himself ?????

Absolutely ridiculous reason to show an Under 12 a yellow card.

Very basic offences were missed. Yet made mountains out of mole hill on two others.
