## REFEREE SECTION

**Referee** ORIN MILLER **Appointed by League** Yes

**Marks out of 100** 5

**Remarks** The referee was atrocious.

He failed to make effective use of his linesmen, regularly ignored their decisions, made erroneous calls on a number of occasions and I believe sent one of my players off without proper knowledge of the situation.

He gave a red card (I understand for an off the ball incident) but cant have seen it given that his back was turned, furthermore he indicated prior to the game a number of red card offences and failed to make good on any despite a number of fouls that could have been ruled red card offences, he was well out of his comfort zone and failed to control the game giving rise to silly challenges that put my players at risk.

Furthermore, it should not be perceived that I am giving this score because I lost the game, Orin proceeded to referee my U16s and we won that game 4-0 and he will be receiving a score of 25. He managed to control that ever so slightly better but through the fact it was an uncompetitive one sided game not through virtue of ability on his part.

Easily the worst refereeing performance I have seen at youth football.
