CLUB / MANAGERS REPORT (Including the FA Respect Codes of Conduct)

Did the pitch have the required barriers, cones and markings	Yes
Was the pitch size/condition, goals and changing rooms adequate	Yes
Did your opponent players, management and spectators comply with the Codes	No
Did you check your opponent players ID cards	Yes

Remarks A penalty was saved by our goalkeeper, as he saved it the ball went back out which meant him making a second save. At this point the Wealdstone player came in for the ball and his foot connected with our goalkeepers face with the toe end of his boot.

The ref signaled for me to come on, as it was a head injury. As I was checking the injury of my goalkeeper the Wealdstone manager came on to the pitch, without being signaled to by the ref.

Our goalkeeper's dad became panicked and concerned about the severity of the injury due to seeing a crowd around his son and came onto the pitch, with NO instruction from myself or the ref.

We fully respect the FA rules and our club does not condone this behavior. We are fully aware that at no point should any parent or spectator go onto the pitch. However, the incident today was a unique situation as the parent was exceptionally worried about his son's head injury.
